Either on this sheet or by email please indicate some courses you'd be willing to teach for **each** semester. You can also indicate courses you'd rather **not** teach, or add suggestions of courses that are not on the list. Please add explanations or comments on the back or in your email.

Please get your response to me by Wednesday Feb. 1.

I'll take your preferences into consideration, but of course I don't promise that I'll be able to satisfy them.
