

# A message from Quebec

Québec, Février 2024

Chers amis sonneurs,

À l'occasion de la St-Valentin, la guilde des sonneurs de Québec vous envoie son plus tendre message d'amour et espère pouvoir vous le répéter de vive voix lors de son prochain May Weekend qui se tiendra du 24 au 27 mai 2024. D'ici là, sonnez dans la joie pendant que nous continuons à travailler fort pour améliorer nos sonneries. N.B. Nous ne sommes pas encore 100% certains d'avoir la Cathédrale, toujours en réparation. Mais nous serons à la bibliothèque pendant les heures d'ouverture et aussi sur le mini ring. On garde nos doigts croisés pour la Cathédrale aussi.

Dear ringing friends

The Quebec City Bell Ringers send you our warmest Valentine's Day wishes and look forward to seeing you in this romantic city during our May Weekend, which will be held from May 24 to 27, 2024. Don't miss the weekend! We'd love to ring with you. N.B. Contrary to last year, we are not yet 100% sure to have the second tower, still under repair. We WILL be at the library during their opening hours and on the mini ring. Fingers crossed that we'll also have the Cathedral tower.

"The Quebec Driving Club Meeting at Place d'Armes" by James Smilie. This 1826 engraving shows the Courthouse and the Cathedral of the Holy Trinity after it had been given a new steeper roof, to adapt the building to Quebec's severe climate.
