PART-TIME LECTURER POSITION

The Boston College Department of Physics has an immediate opening for a part-time lecturer to teach PH210 *Introductory Physics II*, the second semester of a calculus-based course for physical science majors. The first course meeting is Jan 18, 2012. A Ph.D. in Physics is required and some teaching experience is preferred. Applicants should send a CV and statement of teaching experience to Prof. M. J. Graf (grafm@bc.edu). For further information, please address inquiries to Prof. Graf.
